

## Report on White Pine Blister Rust Control, 1918 (Classic Reprint)

Excerpt from Report on White Pine Blister Rust Control, 1918 The Fifth Annual International Blister Rust Conference was held at Albany, New York on December 8 - 9, under the auspices Of the American Plant Pest Committee. Foresters and pathologists representing the New England States, New York, Pennsylvania, Wisconsin, Minnesota, and Canada were present. The sessions were full of interest, and left no doubt that practical and effective measures for the control Of white pine blister rust have been developed during the past four years of experimental work. A summary of the report follows. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
