

# WHO ME ?

Who Me Who Me was the name of a leaflet I received when I first approached Alcoholics Anonymous, naturally that did not apply to me! After many years of contented sobriety I wish to put something back into this marvelous fellowship. It is difficult to accept that we suffer from this dreadful illness and I have tried to lay out in simple terms what is involved and what benefits will be gained by following the simple steps which AA from vast experience has to offer. I wish anyone who is concerned about their drinking to have a look at the various AA web sites and hope that these simple guidelines will help them if they choose to join us on the road to sobriety.
