

The Law of Love: Bringing the Law of Attraction into Marriage

This book merges the Law of Attraction with more traditional Christian views and then applies them to modern marriage. It offers advice about building a better, stronger, happier marriage, and helps you learn to grow closer to your spouse as you grow older. Much of what we perceive in our marriage and life is just that, what we are perceiving. We can decide how we view our marriage. We can decide that we are on our way to a happy, healthy, strong marriage. We can decide to work towards a marriage that is perfect for us.
