

Things People Dont Tell You If You Marry After 30

TICK, TICK, TICK Do you hear that sound? If you're a woman in your 30s, you certainly should. It's the sound of your biological clock closing on you with every minute that goes by, whether you care to believe it or not. While you're preoccupied with climbing the career ladder, or you're simply out partying, or stubbornly maintaining your independence, your baby-making shop is closing in on you. If you don't step up to the plate, when the clock strikes midnight, there may not be a fairy tale ending awaiting you, only a pumpkin. Every line contained in *Things People Don't Tell You If You Marry After 30* is filled with a powerful wake-up call that explains a woman's life between the crucial ages of 30 to 40. *Things People Don't Tell You If You Marry After 30*, lays out the arguments as to why you shouldn't ignore your biological clock if you are wanting to have children. This book, which can be read in one sitting, shows you how to get serious about finding your soul mate without having to compromise your professional career. Cindy de la Garza's stories, based on her own experiences and mistakes, enlightens all women, regardless if you're 18 or over 40, in one way or another.
