

Wine & Whispers: The Rhythm & Blues of Romance

Wine & Whispers is a celebration of love, from its budding beginning to the passionate sacrifices of keeping it satisfyingly rich throughout time. If you've ever been head-over-heels, foolishly, free-falling for a special someone, poet Pepper Brown offers you a chance to remember it again. If you've never experienced love in this way, here's your chance to let the fantasy carry you away into sweet dreams. Take wing, and fly along with each poem. Let young love send you soaring through the clouds, as carefree as a bird. Wine & Whispers also speaks of mature love, where romance playfully teases, yet fulfills your longing and quenches your thirst. If you are ready to revive that sitting-on-a-shelf-too-comfortable-and-dry-kind-of-love, get back into the rhythm, and shake the blues away. In Wine & Whispers discover poems for each stage of love, from beginning to never-ending. Enjoy!
