

HOSPICE (Crisis Care) THE DIRTY TRUTH!!!

I have blown off the roof of Hospice Care, particularly Hospice CRISIS CARE. As a nurse of over 14 years, Who focused in geriatrics. I have worked close with the Hospice team, in many nursing homes, to many times to count. I will explain the business side and profit motivation of hospice, and share from a eye witness perspective, the negligent care given to patients on CRISIS CARE. Exposing the actual nurses who do direct care with the patients. If you have a loved one and your debating putting them on hospice, you need this information before you make that decision, and if you already have a loved one on Hospice you really need to read this. KNOWLEDGE IS POWER. Im definitely breaking the private Medical Code, but I need to tell people the neglect and apathy I have witnessed from Hospice Direct care workers.
