

Shy, artistic Tera can't wait to attend a prestigious art school in France to prove to her famous artist father that she can make something of herself. But Tera's hopes for the future explode when the police arrest her dad for an unspeakable crime. Her father's arrest must be a mistake, so Tera goes into action, sacrificing her future at art school to pay for his defense. Meanwhile, she falls head over heels for Joey, a rebel musician who makes her feel wanted and asks no questions about her past. Joey helps Tera forget her troubles, but he brings a whole new set of problems to Tera's already complicated life. Then, to make matters worse, as her relationship with Joey deepens and as her dad's hotshot lawyer builds a defense, fractures begin to appear in Tera's childhood memories--fractures that make her wonder: could her father be guilty? And whether he's guilty or innocent, can she find a way to step out of the shadows of her father's reputation and walk free? Can she stop him, guilty or innocent, from tainting the only future she ever wanted? *A Work of Art* is a deeply felt story about self-image, self-deception, and the terrible moment that comes when we have to face the whole truth about the myths of our childhoods.
