

# Meat Cake #14

In every issue of Meat Cake, Dame Darcy slices-and-dices goodies into a comics feast, and this latest issue is no exception. Darcy delights with tidbits such as the histories of rock star witches Clara Bow and Cleopatra, tips on how to exercise ones demons, a fairy tale in which accessories revolt and a magical-doll story - all rendered in her absinthe-soaked Victorian art style. Peppering these deliciously wicked stories are Darcys charming characters - Friend the Girl, Richard Dirt, Effluvia the Mermaid and Mee-Moo, among many others.
