

## Eightball No. 11

Stories include Velvet Glove, The Party, Happy Fisherman, The Fairy Frog, Why I hate Christians, Ectomorph and the first chapter of Ghost World. Velvet Glove is a parody of bad film adaptations, using the just-completed Like a Velvet Glove Cast in Iron as its source, with behind-the-scenes segments showing an increasingly anxious Clowes in talks with a clueless Hollywood producer, and scenes from the resulting movie, in which Clay is a tough, sarcastic police detective who plays by his own rules and makes pithy remarks (such as what are you lookin at?) before shooting his enemies. Tina is recast as a space alien who gives Clay a ring of power.
