

Spirit Marked (Yaoi)

Tatsuki must fight a beautiful demon shogun to avenge his uncle and reclaim his kingdom. He is joined by the young circus acrobat Keo who quickly becomes more than a friend. Tatsuki must raise an army against the demon shogun by proving he is worthy of the spirit mark of the tiger. He is tested not only by the spirit mark clans, but by the demon shogun himself, who would rather have the gorgeous Tatsuki as a lover than as his enemy. Also in this book, a science fiction yaoi story about a clock-maker and a beautiful android.
