

Yeah, maybe

For quiet, reserved, and focused 15 year old Annie Mackey, school was a sanctuary.

But when her bubbly and beautiful neighborhood best friend joins her at Willow Point High for freshmen year, her world is turned upside down. Everything Annie could count on for stability is shattered, and she's left feeling more alone than ever before. Just when she's about to lose all hope, someone unexpected swoops in and gives her a much needed lesson in perspective.
