

Begin Within: You Are What You Think

Begin Within: You Are What You Think explores how life's challenges are rarely ever resolved by only changing the external situation. Put forth is the idea that change begins and is sustained from within and indeed, we make and unmake ourselves from the inside-out. Begin Within: You Are What You Think suggests that we are continually thinking our way into our present reality and become that which we contemplate. Learn how to unleash your inner ability and achieve that which you most ardently desire through the power of thought, focus and self-expression.
